## A. Goal 1

- We will have built better connections between teachers, support staff, the PVPs and students in order to support students in developing the emotional well-being for learning.

## B. Rational (Why have you chosen this goal?)

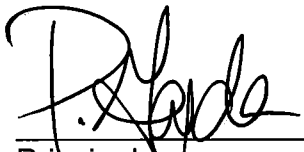

- Relationships help build a foundation that supports student success both personally and academically.

## C. Action Plan (List specific actions, school level and district level resources or structures used)

- Sports teams
- House teams
- Wellness classes
- School wide google classroom
- Scroller/News sharing
- Yearbooks for all
- Daily check-ins/brain breaks
- Hot breakfast and lunch program
- Open Parachute
- SEL Staff Meeting focus
- NI Days – with Peter Dubinsky and 2<sup>nd</sup> with Sheldon Franken
- Weekly counsellor/admin meeting

## D. Evidence / Data (How are you measuring success?)

- Strong school wide attendance
- Few office referrals and suspensions
- Student survey results show just over 70% of our students are connected to 2 or more adults in our building, with almost 40% connected to more than 4 adults in our building.
- Better use of Vulnerability Data and counsellor/admin meetings, as well as standing staff meeting discussion time for concerns & interventions
